Dedicated Worker Selected for Statewide Award

MOUNT VERNON, IN — Eddie Butts, maintenance director at Mount Vernon Nursing and Rehabilitation, was named this year's Support Services Team Member of the Year by the Indiana Health Care Association/Indiana Center for Assisted Living.

Mr. Butts has worked at the community, operated by American Senior Communities, for five years. He previously worked at other senior care communities.

He was selected because of his passion for his job and his commitment to quality care for residents.

He and his wife, Jonell, have four children and live in Illinois.

The health care association is the state's largest trade association and advocate for not-for-profit and hospital-based nursing, assisted living and independent living communities.

Mount Vernon Nursing and Rehabilitation is located at 1415 Country Club Road in Mount Vernon. Services include rehabilitation, skilled nursing, long-term care, hospice and respite.
