

Memory Care living at Aster Place is highly personal. Our Memory Care neighborhoods are “communities within communities.” More than providing enhanced safety, specially-trained staff and activities of special benefit to those living with cognitive challenges, we are committed to truly providing “person-centered care.”

Our care includes:

- Our Splendid Table culinary experience
- A daily wellness activities program emphasizing eight domains of wellness
- Whole wellness care planning
- Cottage Connections caregiver support and educational group
- Innovative and holistic care practices
- Team members specifically trained in dementia care
- Virtual Dementia Tour™ experience offered to all team members
- Displays of interactive artwork encouraging reminiscence and exploration
- Beautiful, easily accessible courtyards
- Access to occupational and physical therapy onsite
- Professional beauty and personal care services
- Transportation
- Housekeeping and personal laundry services
