

Juanita Gatchel

Housekeeping and Laundry Aide Autumn Ridge Rehabilitation Centre

Juanita Gatchel has been an awesome team member of Autumn Ridge for two years. Juanita is a dependable team member who makes time out of her day to engage with others, but especially the residents. She values having a strong relationship with each of the residents. Juanita exhibits love and pays particular attention to detail while on the job. She will be the first to greet you with a smile, asking how you are doing. She never complains or has a negative comment about anything or anyone.

Juanita exhibits all the CARE values on a consistent basis. She makes a special point to ensure the residents' needs are met each day she is working. Juanita does so much more than her job in laundry. She enjoys doing special little things for the residents that will make them smile. Juanita's compassion for the residents is certainly noticed by all of the staff as well as family members. Certain family members have voiced how they are thankful that Autumn Ridge has staff like Juanita who go above and beyond to make sure their loved one is happy and well cared for.

When not at Autumn Ridge, Juanita enjoys spending time with her three children. She also enjoys spending time outdoors, especially going fishing.
