

Danny Robinson

Maintenance Assistant • Ben Hur Health & Rehabilitation

Danny Robinson has served the residents of Ben Hur Nursing & Rehabilitation for 33 years. However, Danny has always exemplifying compassion, hard work, strong relationships and commitment to going above and beyond every day. We are proud to have Danny Robinson as our Quest winner because he does his job every day with purpose, kindness and an unwavering dedication to customer satisfaction.

In addition to being a skilled carpenter, he takes pride in making sure pictures are hung and everything is in its proper place. He is loved by residents and employees alike. Residents state that regardless of how busy he is, Danny always takes time to help with whatever they need, even when it is just to listen. Danny also assists with the transportation needs of the residents. Residents find comfort knowing that Danny not only gets them to their destinations safely, but he takes care good care of them on the way.

His team members say they know that if they ask Danny for anything, he will find a way to get it done. They can always count on him for a kind smile and a job well-done. Danny Robinson is the standard by which we all can be measured. Thank you, Danny, for making a difference at Ben Hur!
