

Tim McIntire

Cook • Brownsburg Meadows

Tim McIntire joined Brownsburg Meadows three years ago and has anchored the evening shift in the kitchen as the cook where his priority has always been the residents. He enjoys making them feel special and seeing them smile. One resident said, “Tim is number one in customer service and is always so friendly. I consider him not only a caregiver, but my friend.”

Tim quickly showed remarkable leadership skills. He takes pride in his job and is always looking for ways to help the kitchen run smoother or make the residents happier. He knows the residents on a personal level. He enjoys making our residents feel special by remembering what each one likes to eat without them having to ask.

Tim is very willing to help other team members and leads by example. He will do whatever is asked of him. He takes great pride in his job and is willing to try new things when asked.

When Tim is not at work he loves hanging out with his friends and motorsport racing.
