

Shanta Downs

CNA • Fairway Village

Shanta Downs, CNA, has been with Fairway Village since 2013. She loves her residents and treats them with the utmost dignity and respect, in the same way she would treat her own family. The residents at Fairway Village respond to her and trust her when she is providing care to them. She always takes that extra step to ensure that they are looking and feeling their best. She excels at providing the residents with choices, extraordinary care and love whenever she is in the building. When Shanta is working, our residents feel safe, secure and most importantly, loved.

In her spare time, Shanta loves to read. She dreams of owning her own home and a restaurant one day. Knowing Shanta and how hard she works, we know that she will accomplish all those things and more! Shanta was honored to know that her team members and managers thought of her as someone who goes above and beyond what her position requires. Congratulations, Shanta, for being someone Fairway Village and American Senior Communities can count on and someone the families and residents know will have them in good hands!
