

Sheila Durham

LPN • Forest Hills Commons

Sheila Durham graduated from Spencerian College of Nursing in 1992, after serving as a CNA for 11 years. Healthcare has been a life passion for her. “I can’t remember ever wanting to be anything other than a nurse,” she said.

Sheila was one of the starting team members of Forest Hills Commons when it opened two years ago, and we couldn’t have done it without her. “Her commitment shows in each interaction she has with our residents, staff and family members at Forest Hills Commons,” the Clinical Director said. Sheila has an excellent rapport with everyone at Forest Hills Commons because of the respect and excellent care she provides every day. Natasha Wheatley, LPN stated, “Sheila is one of the reasons I love my job. She treats the residents with respect and kindness and takes time with each of them.”

Forest Hills Commons is lucky to have a dedicated nurse like Sheila in their community. Sheila has set a goal for herself each day to make a positive difference with every touch. She says she has gained so much from her career in nursing by giving all that she has.
