

Stacey Cole

Scheduler/QMA • Markle Health & Rehabilitation

Stacey Cole is committed to performing her job with compassion and a positive outlook. She became interested in working in the healthcare field when she and her mom took the Nurse Aide course together. After becoming certified, both Stacey and her mom started their jobs together at Markle Health & Rehabilitation. Stacey encouraged two of her daughters to also enter the healthcare profession and recruited them to work as CNA's at Markle.

Stacey enjoys learning about the resident's past and helping them with whatever they need. She says the best part is when the residents are happy and laughing. She has a "take charge" attitude and is never too busy to lend a hand where there's a need. Teammates of Stacey say she is efficient, never complains and helps others no matter how busy she is. They love working with Stacey because she keeps a smile on her face and she can maintain a good attitude in any situation. Markle Health & Rehabilitation is blessed to have Stacey on their team.

In her spare time, Stacey enjoys working in her yard and spending time with her family. Stacey is from Huntington and is the mother of three daughters.
