

Selena Robey

CNA • Meadow Lakes

Selena Robey is an excellent asset to the Meadow Lakes team. Every day she comes in with a smile on her face and a wonderful attitude. She represents our CARE values on a daily basis and shows that “quality begins with me.” Selena first came to Meadow Lakes in December of 2016 as a Housekeeper. She knew she wanted to be more involved with the residents, so she enrolled in our CNA program. While completing the program, she continued to work in the Housekeeping Department on the weekends, further proving her dedication and outstanding work ethic.

Selena is devoted to her residents. She says they are her family. When asked her feelings about serving seniors she states, “It’s not a job, it’s a pleasure.” Residents often request Selena to take care of them. Her team members describe her as someone who is eager to learn, always willing to help, compassionate and doing it all with a smile on her face. Meadow Lakes is fortunate to have her as a part of American Senior Communities and as an integral member in the pursuit of excellence on our Meadow Lakes team.

Selena is married to her wonderful husband of six years and they have three children. Selena resides in Mooresville and believes by working at a community within her community, she is giving back.
