

Judith Tetrault

Activities Director/Social Services • North Woods Village

Judith Tetrault is an amazingly hard-working, dedicated team member of North Woods Village. Judy became a CNA after high school. The journey took her many different places, including moving from Boston, MA to Peru, IN. She took some time off from senior care but still remained a caregiver. Soon enough, Judy decided that it was time to go back to working with residents who needed her, so she regained her CNA license through North Woods Village and began working in Memory Care. She is wonderful with all the residents in Auguste's Cottage. She recently furthered her career by becoming a Certified Activities Director and Social Services Designee earlier this year. She then furthered her career by becoming a Certified Activities Director and Social Services Designee.

Judy truly enjoys bringing her lively spirit to her residents through dance parties, playing cards and special dinner nights. Judy states, "I love to bring a little bit of home into North Woods Village." Her most rewarding and challenging moments are seeing sparks of recognition due to music, smells and items that bring sensory memory back to our resident's eyes and minds. Judy is completely deserving of all the recognition she receives. Thank you, Judy!
