

# Donnie Stout

## Bus Driver • Swiss Villa Nursing & Rehabilitation

Donnie Stout has been a dedicated member of the Swiss Villa team for five years. He is often complimented by others on his flexibility and willingness to help in any situation. Donnie has many special relationships at Swiss Villa. It is clear he knows the importance of connecting with others and striving for excellence. He often suggests ideas to improve our culture and service to the residents at Swiss Villa. Donnie goes out of his way to make others feel special. Donnie regularly volunteers to help with events at Swiss Villa.

Donnie is an active member of the local Lions Club and American Legion. He is a veteran of the U.S. Army, having served in the Vietnam War. One of Donnie's favorite pastimes is woodworking. He has completed projects of all type. Donnie also enjoys camping with his wife, Kim, and their family.

When asked what he most enjoys about working at Swiss Villa, Donnie stated: "I have never been much of a people person but working at Swiss Villa has helped me realize that I like to meet new people and make special connections with others. I have experienced many special moments with the residents because of my job." Donnie is a fabulous example of someone who lives out the ASC CARE values and Swiss Villa is proud to have him on our team.
