

The CARE Companion Commitment

I promise to **CARE** for my fellow employees, residents and family members with kindness and respect.

I will commit to show **COMPASSION** for what they may be going through and support them.

I will commit to be **ACCOUNTABLE** and take ownership of my own success, failures and attitude, and for the satisfaction of my residents, families and team members.

I will commit to build positive **RELATIONSHIPS** with my team, residents and family members. I will make an intentional effort to get to know each of them on a personal level.

I will commit to be an **EXCELLENT** team member, companion and caregiver by going above and beyond what is expected each day.

It is my commitment to be an ASC CARE Companion.
