Indiana State Department of Health Awards Local Senior Community a 100% Perfect Survey

Fort Wayne, IN – [Coventry Meadows Assisted Living](#), located at 7833 W. Jefferson Blvd. in Fort Wayne, has received a deficiency-free annual state inspection from the Indiana State Department of Health for the third consecutive year. Indiana owned and managed, this community provides Independent Living Garden Homes, Assisted Living Apartments, Memory Care Apartments, Respite Care, Outpatient Therapy, and New Energy Wellness. This community is part of a full-continuum campus that offers additional care, located right next door.

A [deficiency-free rating](#) is the highest score a senior community can receive on annual surveys conducted by the Indiana State Department of Health, and only a small percentage of communities receive this distinction in any given year. Metrics include cleanliness, staffing ratio, and quality of care. This rating signifies 100% compliance with state and federal regulations.

CEO Steve Van Camp said, “A perfect survey is only achieved through teamwork, diligence, and dedication. Our staff at Coventry Meadows Assisted Living are the living model of the core values we embrace at ASC. We are extremely proud of their achievement and their continued perseverance in maintaining high quality care and lifestyle options to Fort Wayne area seniors.”
