U.S. News & World Report Names 14 American Senior Communities Locations Among Best Senior Living for 2025

Indianapolis, IN (April 21, 2025) - American Senior Communities (ASC), Indiana's largest senior living and healthcare provider, has been recognized by U.S. News & World Report for outstanding performance in several categories. Now in its fourth year, the [2025 Best Senior Living ratings from U.S. News](#) evaluated over 3,800 senior living communities in the United States. Communities are evaluated on several criteria, including resident and family members' satisfaction with safety, care, community management, staff, value and other services and amenities.

The designation of "Best Senior Living" is awarded only to those communities that satisfy [U.S. News' rigorous, data-driven standard](#), based on viewpoints from over 450,000 consumer surveys. Only the highest-rated communities in each category earned a "Best" rating with mention of "accolades" to note outstanding performance in key areas. Accolades are awarded to those communities scoring in the top 25% of communities evaluated nationwide, along with other criteria.

The following ASC locations were named in the categories below with noted Accolades:

Best Independent Living (IL), Best Assisted Living (AL)

“This recognition is a testament to the exceptional level of care and dedication our teams consistently provide to our residents,” said Steve Van Camp, CEO of American Senior Communities. “To be honored among such a vast number of senior living communities across the nation speaks volumes about the quality, consistency, and heart our care teams bring to work each day. Our dedicated, compassionate professionals are committed not only to the highest standards of healthcare and safety, but also to nurturing meaningful relationships that promote overall well-being and a true sense of home for every resident. This recognition affirms the impact of their unwavering commitment.”
